

# May 2019 Newsletter

Dear Parents and Friends of Noah's Ark,

Graduation month is here and it is hard to believe our school year is coming to an end. This month we will be practicing each day, in the morning, for our graduation program. Please have your child to school on time so they will be fully versed in everything they need to know. Note graduation day and times as they are different than what we have done in the past. Make plans to stay for lunch on the deck. Our last day is Thursday, May 23rd and summer session begins Wednesday, May 29th. Thank you for an amazing year and we look forward to a great summer. Miss Charlene and the Teachers of Noah's Ark

Picture Orders must be placed by  
May 6th!
